

HP 460 Multi-Device Bluetooth Keyboard (7N7B8AA)

Overview

Full keyboard. Fully mobile. Fully your type.

Be anywhere and still be ready to go with the HP 460 Multi-Device Bluetooth Keyboard. It offers full-featured functionality with easy-to-pack-up portability to go wherever life takes you. With versatility to pair multiple devices combined with functional design, this true multi-device keyboard is built to help you stay moving, working, playing, and connected.

Portability meets productivity

Get the most out of your day, every day. This adjustable, spill-resistant Bluetooth® keyboard fits the full keyboard experience into a compact, on-the-go design that saves space in your bag or anywhere you set up. Add utility and comfort to whatever you're doing with a full numpad, directional keys, and concave keycaps that make typing quiet and comfortable.

Create your new favorite key

Go further with more flexibility. Whether for office tasks or game play, program the F1–F12 keys[1] to act as custom shortcuts, or automate difficult keystroke combinations to make all your moves in a fraction of the time. HP Accessory Center software makes it easy to set and change commands on the fly.

Uncomplicated connectivity

Life is better when you have options. Seamless Bluetooth® functionality gives you the freedom to stay continuously and confidently connected anywhere you are. Connected to a desktop, your tablet, or even a mobile device, this multi-device Bluetooth keyboard delivers connectivity across multiple operating systems. With Swift Pair, quickly switch between up to three devices with the press of a button.

Built for a better tomorrow

The better choice for a brighter tomorrow, the HP 460 Multi-Device Bluetooth Keyboard contains 50% post-consumer recycled materials[2]. With FSC certified, plastic-free packaging, you can be confident knowing you have a Bluetooth® keyboard that is helping protect our shared future while doing amazing things for you.

Features

Multi-OS, multi-device connectivity

Pair and switch between up to three devices over Bluetooth®.

Slim design with full numpad

Get all the functionality of a full keyboard, including a numpad, in a commute-friendly, compact design.

Programmable buttons

Your workflow, your way. A full suite of 12 programmable buttons allows you to customize your keyboard to your exact needs.^[1]

Battery powered

Two AAA batteries provide up to 24 months of productivity. No charging cable required.^[3]

[1] Requires HP Accessory Center (HPAC) Software. HPAC available for free download in Microsoft Store or Apple Store.

[2] Recycled plastic content percentage is based on the definition set in the IEEE 1680.1-2018 EPEAT® standard.

[3] Actual battery life will vary with use and environmental conditions. The maximum capacity of the battery will naturally decrease with time and usage.

Specifications
