

# HP DisplayPort to DVI Adapter

Make the most of the available ports on your HP Business Notebook by converting its DisplayPort output to DVI for quick and easy connection to external displays and projectors.

- Enjoy access to and expand compatibility with displays and projectors with an adapter that converts your DisplayPort output to DVI. Simply connect the DisplayPort end to your PC and the DVI end to your device.
- Store the compact adapter in your carrying case alongside your notebook so it's available whenever and wherever you need it.
- Get the reassurance of a one-year parts replacement limited warranty.
